

The Warlock

BOOK ONE OF THE NEXUS SERIES

ISBN 1-59507-057-5

It's Judgment Day as foretold in the Prophecy of Lum, and the forces of Creation itself are at war. The battlefield is Aerth, a place formed of the fears, dreams and legends of Earth where hope, magik and danger are intertwined and the impossible can still be. Hobgoblin hordes charge toward the empires of men, and wood elf forest clans struggle with an evil that has returned from the sky. In the surrounding dimensional planes, the angels of Upper Ethera, demon gods of Lower Ethera and the supreme beings of Astra watch and grow restless. The struggle has reached even Earth, the place without magick—where the Church of the Four Raptures works in the shadows to hasten the end of days.

Mord, the only known survivor of the ancient Circle of Warlocks, has spent the past 870 years doing his best to avert Lum's prophecy, but he can't do it alone. His one last hope—and the world's—lies with the Chandler family: four unlikely and unsuspecting heroes who are brought together on the eve of destruction. Rev, Faun, and their estranged parents John and Summer might just make a difference—if they can overcome their personal demons in time to seize destiny.
