Welcome to The North Dallas Women's Center…an exclusive and secluded private lake resort in Dallas, TX. It is the fulfillment of every woman's fantasy, the culmination of achievement for the most powerful women in the country who have satisfied their personal and professional ambitions, tasted the sweetness of success—and now indulge themselves in its exquisitely unique luxuries and pleasures.

Rae Taylor is a brilliant scientist and the founder of the North Dallas Women's Center, an exclusive retreat for those women of sufficient means to afford the costly, but miraculous experimental treatments that make women beautiful. But their treatments go far beyond the medical aspects of a woman's total needs. For more than fifteen years, Rae has been driven to success, overcoming the dark wounds inflicted by her rival Rebecca Danforth.

Rebecca Danforth is a corporate CEO who understands power, how to get it and how to wield it. Years ago, with a stolen secret from a young college girl, she catapulted a struggling pharmaceutical company to success. And even now she frequents the exclusive North Dallas Women's Center to flaunt her wealth and power in front of Dr. Rae Taylor, plotting Rae's ruin yet again.

Nicole Prescott is one of Boston's most renowned attorneys. She is feared in the courtroom and desired by the rich and powerful. Yet each weekend her private jet wings her to Dallas for her special treatments at the North Dallas Women's Center.

Sabrina Doucette, the first woman to win back-to-back championships at the Indianapolis Motor Speedway, lives life on the bleeding edge—until a near-fatal crash brings her to the care of Dr. Rae Taylor. But at the Women's Center she discovers much more than the repair of her scarred face.

Alicia Brighton, a brilliant surgeon, is forced to leave her practice in Boston, only to see her life crumble away. But her healing talents revive at the mysterious Women's Center in Dallas.

Marsha Collins, millionaire Real Estate Developer and nationally known speaker, is the mastermind behind the North Dallas Women's Center, and knows the mysterious secret of every woman's fantasy.
